

# WILLIAMS ADVANCEMENT AGENCY

## EXECUTIVE SEARCH & CONSULTING

## EXECUTIVE ASSISTANT

Yisha Su is an energetic professional passionate about UX, UI, and Graphic design. Before joining the Williams Advancement Agency, she worked as a UX designer at LavaMap and UX Consultant at the Pratt Center for Digital Experience. She graduated from Pratt with M.S. in City and Regional Planning and an Advanced Certificate in User Experience Design.

Yisha Su has been highly instrumental in developing WAA digitally; she started as an intern, but Michael quickly hired her to do additional work within the Agency, because of her work ethic and attention to detail. Now, she will serve as an Executive Assistant for Williams Advancement Agency Executive Search & Consulting.
